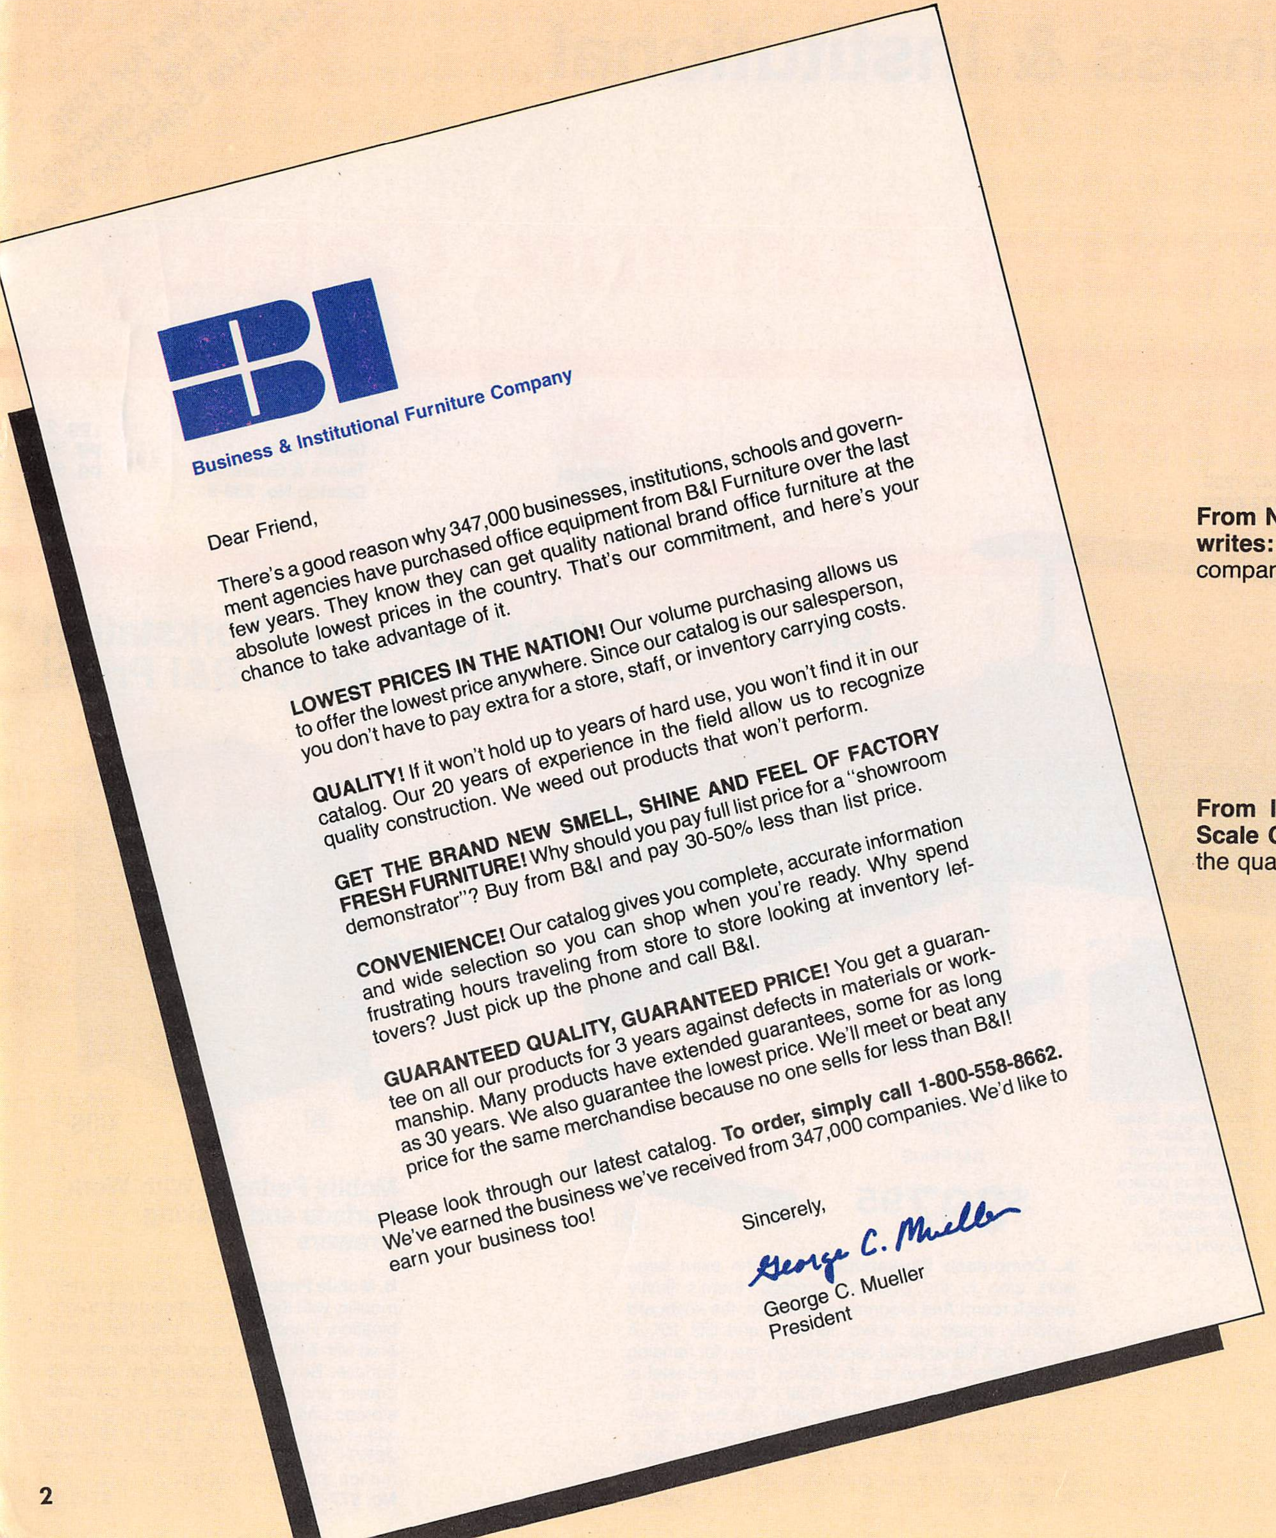
Colors: black with walnut top; putty with oak top.
No. 877-291C **$149.95**

We will not be UNDERSOLD!

3 YEAR GUARANTEE on every product!



Business & Institutional Furniture Company

Dear Friend,

There's a good reason why 347,000 businesses, institutions, schools and government agencies have purchased office equipment from B&I Furniture over the last few years. They know they can get quality national brand office furniture at the absolute lowest prices in the country. That's our commitment, and here's your chance to take advantage of it.

LOWEST PRICES IN THE NATION! Our volume purchasing allows us to offer the lowest price anywhere. Since our catalog is our salesperson, you don't have to pay extra for a store, staff, or inventory carrying costs.

QUALITY! If it won't hold up to years of hard use, you won't find it in our catalog. Our 20 years of experience in the field allow us to recognize quality construction. We weed out products that won't perform.

GET THE BRAND NEW SMELL, SHINE AND FEEL OF FACTORY FRESH FURNITURE! Why should you pay full list price for a "showroom demonstrator"? Buy from B&I and pay 30-50% less than list price.

CONVENIENCE! Our catalog gives you complete, accurate information and wide selection so you can shop when you're ready. Why spend frustrating hours traveling from store to store looking at inventory leftovers? Just pick up the phone and call B&I.

GUARANTEED QUALITY, GUARANTEED PRICE! You get a guarantee on all our products for 3 years against defects in materials or workmanship. Many products have extended guarantees, some for as long as 30 years. We also guarantee the lowest price. We'll meet or beat any price for the same merchandise because no one sells for less than B&I!

Please look through our latest catalog. **To order, simply call 1-800-558-8662.** We've earned the business we've received from 347,000 companies. We'd like to earn your business too!

Sincerely,

George C. Mueller

George C. Mueller
President

Here's what some of our customers have to say about the service they have come to expect from B&I —

From Illinois, Ms. Sheila A. Dunn of Green Thumb writes: "I am writing to let you know how *very* pleased I am with the chair I recently ordered from you. It was shipped in perfect condition, and was even nicer than I'd expected. Too bad we didn't know about you people when we were ordering office furniture several years ago. Thanks!"

From New York, Art Burnap of Nippon Express writes: "We have great respect for you and your company's regard for its customers."

From California, Judy Wilson of J. Lee Photography writes: "I want to compliment your employees that so efficiently handled this order for me. It arrived as promised, and I greatly appreciated your concern. Everyone has been so friendly and helpful. Thank you again."

From Indiana, Barbara Hendrick of Richard's Scale Co. writes: "I have been very pleased with the quality of the merchandise."

From Minnesota, Larry Taylor, Vice President of Carlson Craft writes: "I have been very pleased with the fast service and the courteous customer service representative at B&I Furniture."

An Incredible Value On Two Great Computer Stands

Now you can spend less — and still have a top-quality computer table. Tables have 1x2" steel frames and ¾" solid core tops for stability, strength and long life. Tops are rugged plastic laminate that resists stains and mars. The non-mar plastic glides protect carpet or floor. Choose single surface table or model with ergonomic drop keyboard pad (24x36x29" top, 10x24x27"H fixed keyboard pad). ***Quick Ship: black frame/walnut top (shown), putty frame/oak top.***

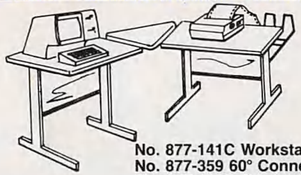
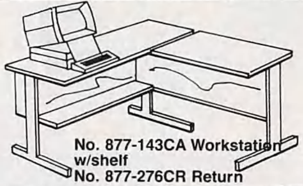
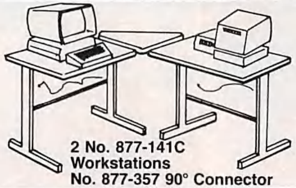
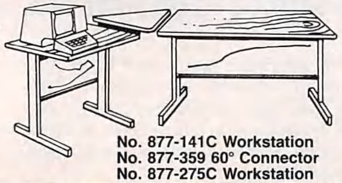
Keep Your Work Flow Efficient With These Flexible CompuTech™ WORKSTATIONS AND ACCESSORIES

Popular Table Combinations









Versatile, affordable CompuTech™ WORKSTATIONS. CompuTech™ offers a complete range of computer furniture including key or desk height workstations, returns, a printer stand, and standing height workstation. A wide array of accessories from casters to table connectors are available to create a computer center that fits your needs. (Order accessories on opposite page.) Every workstation will give you years of solid support from heavy-gauge, seam-welded, tubular steel frames with modesty panels. 1¼" thick durable laminated Formica™ tops are heat, stain, warp and mar resistant. Rounded, vinyl bullnose safety edges around tops won't dent, catch, or crack (self-edged tops are optional). Frames and modesty panel come with a non-chipping baked-on enamel finish. (Bright nickel chrome plated legs are optional. Photo D features printer stand with optional chrome legs and self-edged top.) ***Quick Ship: black frame/walnut top, putty frame/oak or putty top.***

The Ergo-Mate Station is available in 2 styles to accommodate any CRT with or without CPU below.

No More Tired Eyes Using This Ergonomic Station

B-C. Ergo-Mate Workstations put your input copy between the keyboard and the CRT, where it belongs — eliminating stressful neck turning, the common cause of eye fatigue. And Ergo-Mate positions the monitor so it's also right for strain free viewing. Converts your desktop into an ergonomic workstation, making you more productive. Built in pathways for neat hidden cables. Rugged steel construction.

B. Workstation with attractive woodgrain accent panels. 4¾″H CRT platform for standard height terminals. Requires a work surface 24″ deep. CRT platform 15″D x 22″W. 24 lbs. ***Quick Ship: Pearl gray (shown).***
No. 877-322 .... **$97.95**

C. Workstation raises terminals 2⅛″ above work surface. Perfect for terminals with built-in pedestal base or for personal computers with terminals positioned atop a diskette drive. Unit requires a work surface 29″ deep. CRT platform 20″D x 22″W. 26 lbs. ***Quick Ship: Pearl gray (shown).***
No. 877-323 .... **$108.95**

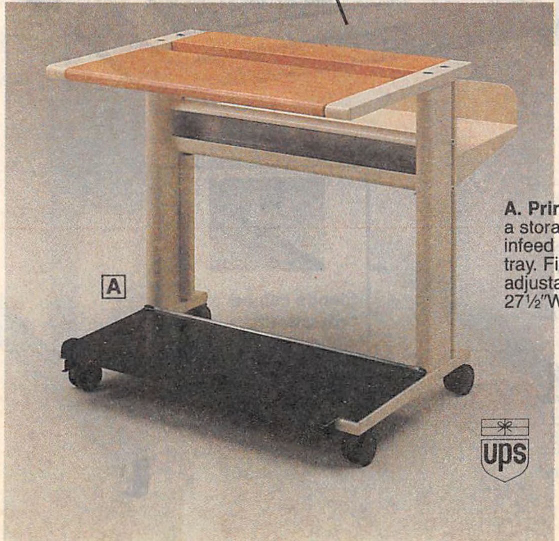
Select DataBord 920 Adjustable Computer Furniture — For Greater Efficiency Through Improved Operator Comfort

Improve worker productivity on your video display terminals (VDT) with the DataBord 920 System by Krueger. Designed for user comfort and numerous arrangement possibilities, all VDT furniture is height adjustable from 23″ to 30″ to fit any operator's needs, thus maximizing performance. To adjust the height of any table simply insert the adjustable handle and turn. Electrical wires are safely and neatly controlled in the DataBord Units. Quality solid construction is covered with stain and burn resistant high pressure laminate surfaces. Heavy duty steel frames are finished in non-chipping enamel. ***Quick Ship: light oak laminate with sand frame, medium oak laminate with brown frame.***



A. Printer Stand features a storage shelf for paper infeed and paper catch tray. Fixed height, adjustable glides. 27½″Wx21¼″Dx26¼″H.

E. Sliding Rectangular Extension for use on right or left side of dual surface and machine tables. 14″Wx21¼″D. Supports 30 lbs.

F. Machine table. 27½″Wx21¾″D.

877-809C Printer Stand

Workstation Furniture. Tailor your workstation to your needs with flexible matching modules. Units are constructed of rugged solid cores that won't sag or warp. The static resistant surface is burn, stain and mar-resistant. Colors: oak (shown), walnut or putty.

The workstations have large tops for plenty of work room and the 12" storage shelf means no clutter. 877-800C offers two large capacity compartments that are ideal for computer support material. The screen display shelf (C) (shown on 877-801C) raises your monitor for comfortable viewing and frees up space. The vertical organizer (D) (shown on 877-801C) features two adjustable shelves allowing varied computer component arrangements and accessory storage. The open back provides for adequate ventilation of your computer as well as for running cables and cords. For increaed stability the organizer can be permanently attached to base. Two paper slots featured on the printer stands (E) accommodate both bottom-feed and rear-feed printers.

Ergonomic Workstation Centralizes Working Components For Better Work Flow

Workstation shown with matching computer table

Jobstream™ Workstation. You'll find that the advanced ergonomic features of this workstation mean much less fatigue and higher performance — with fewer backaches and headaches. That's because the unit adapts to the operator's body for maximum comfort:

- Keyboard adjusts from 26"-31"H
- Keyboard tilts a full 15°
- Copyholder mounts in 2 positions and tilts from 15° to 45°
- CRT platform sets at five heights and even tilts

Solid core construction finished in a tough woodgrain laminate. The workstation may be purchased separately to place on any table 24"Wx30"D. Workstation also can be purchased with matching base (F) with locking casters, or modern design matching table with added work space (H). ***Quick Ship: medium oak, or light oak (both shown).***

Safely Extend Your Power Without Rewiring

AS LOW AS

$\$16^{95}$

An easy, safe way to manage your power supply

Lay-Flat Power Extension. Wires from machines and computers can turn your office into a danger zone. This power extension lets you take the wiring where you need it — safely and attractively. Just lay it flat and plug it in — it's that easy. A flexible alternative to expensive and time-consuming rewiring.

The UL-listed power extension has tapered sides that mean no tripping. And its durable construction will withstand heavy traffic. Twin grounded outlets for your workstation equipment and a two-foot plug-in cord to reach from wall to floor. Fire and moisture resistant for added safety. ***Quick Ship: Brown (shown), beige, green, gray, black or warning yellow.***

Your changing storage requirements for computer supplies will never outgrow the Borroughs Adapta-Media cabinet system

Here's the totally modular cabinet system that adapts itself to easy changeover for **all** of today's and tomorrow's media storage needs. It's never obsolete.

- Matching components for hanging, roll-out or fixed shelves, trays and drawers are fully interchangeable
- Roll-away door with lock allows full access to media storage interior
- Durable cabinet is constructed of heavy-gauge steel with 3-stage baked enamel mar-free finish
- All roll-out components fitted with technically-superior steel ball-bearing suspension system for balanced, smooth, silent operation
- Safety interlock prevents roll-out of more than one component at once, is completely adjustable at 4½" increments for moving components
- Leveling guides allow easy screwdriver adjustment at all four corners

Cabinet 68⅛" high x 36" wide x 18" deep. Cabinet doors and all components in putty color. ***Cabinet color — Quick ship: putty.*** Other colors: black, tan, gray.

No. 877-030C **$512.95**

How to Order: Decide on the type of media storage you need from those pictured at the bottom of this page. Model numbers beneath each picture correspond with component numbers in chart below. Select from the component chart. Note the height required for each level of media storage. Total height of components should not add up to more than 60" to fit within cabinet interior.

No. 877-033C

Our Top Quality Lateral is More Than a File — Use it as a Credenza, Work Station, Room Divider, and More . . .

Satisfy your office needs with two, three, four or five tier models.

Our five tier model comes standard with a top shelf and four drawers plus a special spring-loaded posting shelf between second and third drawers for sorting, writing, reading, etc.

All other models come with your choice of all drawers or all shelves. Both drawers and shelves roll out on tough steel ball bearing suspension for balanced and smooth operation.

Standard 12″ shelf comes equipped with three moveable file supports for shelf filing, and lateral rods for hanging folders. Shelf back adjusts to accommodate legal or letter size filing. Retractable doors keep shelf contents secure.

Standard 12″ drawer comes equipped with integrated lateral rods for hanging files plus adjustable back for letter or legal size side to side filing.

6″H roll-out shelves or drawers. Can be ordered in place of any 12″H opening. 6″H shelves are ideal for card trays, disc packs, or printouts. 6″H drawers store the same materials as shelves as well as checks, video tapes and other odd size items prior to filing. 3 dividers are provided with each 6″H drawer.

Practical, convenient and handsomely styled. All models feature contemporary styling in heavy gauge steel; self-leveling glides that adjust easily from inside or out for solid stability; full locking system for security; plus an integrated safety system that prevents tipping by locking all drawers or shelves except the one being pulled out. ***Quick Ship: putty, black, tan.*** Other colors: brown, bamboo.

When ordering lateral file cabinets add "S" to number for roll-out shelves. Add "D" to number for roll-out drawers. All models are 18″ deep.

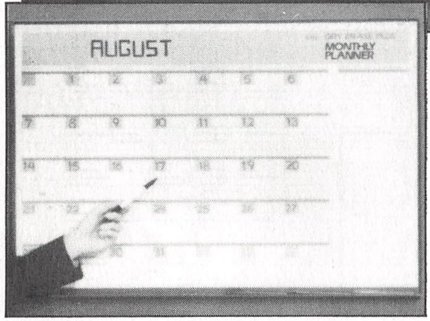
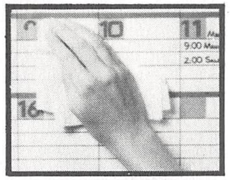
Dry Erase Planners Provide More Planning Flexibility



~~LIST PRICE~~
~~$44.95~~
B&I PRICE
$34.95

The Erasable Planner is one of the most convenient and versatile planners available to meet your planning needs. Its custom-formulated surface eliminates ghosting; yet ink easily wipes off clean and dry with an eraser or tissue. No damp cloth is needed. Its rigid board backing framed in bronze anodized aluminum makes this 2x3′ planner sturdy and easy to handle. Planners feature a full-length marker tray. Two black erasable markers, one eraser, and four assorted washable markers are included with each planner. ***Quick Ship.***
No. 655-412 .... **$34.95**



Washable markers are ideal for information that doesn't change often. When time to change, just use a damp cloth.

Erasable markers are ideal for information that changes frequently. Ink wipes off with an eraser or tissue.

The lumbar support of thes chairs adds extra comfort while reducing fatigue or possible backache.

F

G

Contemporary Chairs have ergonomic design to give you comfort and support. Side frames are shaped to conform to the spinal column — they minimize fatigue while maximizing your productivity. **12 year guarantee on frames** against structural failure. Seat and back constructed of contoured plywood with 4″ of luxurious foam padding for seat and 3″ for back. Separation between seat cushions gives you proper seating position for added comfort. Rugged textured nylon fabric is treated with Dupont Teflon™ to resist stains and dirt, and is fire retardant. Seams are triple stitched and premium upholstery is guaranteed for 2 years. Select from chrome or epoxy finish frame in black or putty colors. Fabric colors: premium — nutmeg, tweed, beige, green, black/gray tweed; standard — homespun, chestnut, dusky rose, powder blue.

From The Name You Can Trust — LA-Z-BOY

A. La-Z-Boy Executive High Back Chair has reinforced frame construction for extra durability. The seat uses a heavy-duty suspension system for many years of comfort. Spring tilt control is properly balanced with a dual coil "floating" tension adjustment to insure free and secure movement. 100% nylon scotchguarded fabric is not only plush, but practical and long wearing too. ***Quick Ship: tawny brown fabric with medium oak finish frame or dark brown fabric with walnut finish frame*** **(shown).**
No. 853-062CX 59 lbs. **$297.95**

Classic Lines, Modern Comfort

B.-C. These hardwood chairs will add style to any executive office. And they'll last! Frames are glued, double dowelled, screwed and corner blocked — all for maximum strength. Executive Swivel (40"Hx25"Wx26"D) has 4-prong, solid wood base, adjustable seat height from 18" to 21", dual wheel casters. Its lifetime warranty on mechanisms and casters assures long use. Matching side chair (33"Hx23"Wx26"D) has sled base frame for incredible stability as well as beauty. Colors: gray, brown, beige, burgundy (all shown).
B. No. 853-414C Executive Swivel Wt. 34 lbs. **$279.95**
C. No. 853-415C Side chair Wt. 22 lbs. **$197.95**

Graceful Contemporary Styling

D.-E. Subtle curves and plush tufting make a quiet but powerful statement. Solid hardwood frames mean powerful strength too. Executive swivel (41½"Hx23"Wx29"D) has extra-stable 5-prong metal base with attractive wood caps & dual wheel casters. Seat height adjusts from 18"-21". So durable it comes with a lifetime warranty on mechanisms and casters. Matching Side Chair (32½"Hx23½"Wx25½"D) harmonizes perfectly. Colors: brown, beige/brown tweed (both shown).

Style C
For desk-return combination.

Choose tough LEXAN MATS for greatest economy

Plus a LIFETIME GUARANTEE against breakage!

These mats are the ideal protection for low pile carpeting. They're clear, so the color of your carpet shows through. At ⅛″ thick, they're 65% thinner and lighter than other mats. Textured surface resists scratches and stains.

We will not be UNDERSOLD!

This banner appears periodically throughout our catalog. Simply stated, it means B&I will meet or beat any competitor's price on products that are identical to those featured in this catalog that are manufactured for B&I. Proof of competitor's current price at time of order must accompany order. Valid only at time purchase order is placed and accepted by B&I.

BUSINESS & INSTITUTIONAL FURNITURE COMPANY TERMS AND POLICIES

Terms and Credit. If you or your company have not established credit with B&I, enclose a 50% deposit of the Total Price on your order. Or, you may charge the order to your personal or company's Master Charge or VISA account. Important: When using Master Charge or VISA, be certain to print the credit card number and expiration date in the space allocated for that purpose on the B&I order form. Credit is offered to business firms with good or excellent Dun & Bradstreet ratings. Credit is also extended to most churches, schools and other organizations. Terms are net 30 days. Interest is 1% per month on late accounts.

To Place an Order. Call toll free **800-558-8662.** In Wisconsin call toll free 800-242-7200. Milwaukee area call 272-6080. To order by mail, an order blank is enclosed in the center of the catalog. There is no minimum order for items displayed in the B&I catalog unless specified for a particular product. Orders for products not featured in the B&I catalog may be subject to a minimum charge. There is a $3.50 handling charge per order. Please note: Custom orders cannot be cancelled. Certain Cancellations and Returns may be subject to restocking and freight charges. **Due to fluctuating market conditions, prices are subject to change without notice.**

Shipping. Shipping charges are extra and will be invoiced separately or with your product. Our sales representative will be happy to give you an estimate of the shipping charges when you place your order.

Quick Ship* Items shown with this notation in bold type face are shipped in approximately 2-3 weeks after receipt of your order. Other items that are normally made to order are shipped in approximately 4-6 weeks after receipt of order.

UPS Items shown with this symbol are shipped by United Parcel Service at a substantial savings over common carrier charges. Any shipments exceeding UPS size and weight limitations are consigned to responsible motor freight carriers. "UPS and UPS in shield design are registered trademarks of United Parcel Service of America, Inc. Used by permission."

All shipments are F.O.B. shipping point, unless specified otherwise. On selected merchandise free tailgate delivery to your door is provided, which applies to shipments within the continental 48 states only. **Please note that when goods are consigned to a transporting carrier, those goods become the property of the customer.**

On all shipments, B&I, our customers, the shippers, and freight carrier must conform to Interstate Commerce Commission regulations.

Inside Delivery. Normal freight charges do not include inside delivery. **[Customer is responsible for unloading merchandise from freight carrier's tailgate into premises.]** If you do not have a delivery dock or sufficient manpower to unload merchandise, please specify at the time you place your order that you will be requiring inside delivery. Our sales staff will obtain an estimate and arrange delivery. Please note exactly where (inside your building) the merchandise must be delivered to, and if a stairway or elevator must be used. If inside delivery is requested from freight carrier at time merchandise is being delivered, rather than when placing order, customer will be invoiced separately for inside delivery at a later date than original invoice for merchandise and freight.

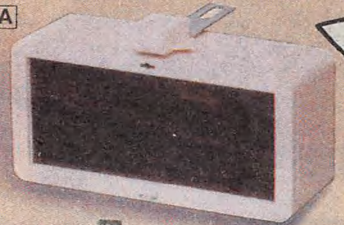
Damaged Shipments. Although 98% of our products are shipped damage free, B&I continues to work closely with our factories and carriers to prevent product damage. However when your shipment arrives, please do the following:
1) **Examine** all **cartons** carefully **before signing** the delivery receipts.
2) **Note any shortages, damage or distortion** of any kind to cartons, **on the delivery receipts.** A carrier is liable for damages only when damages or distortions to cartons have been noted on the delivery receipts by the customer.
3) Open all cartons and inspect for concealed damage.
4) If your merchandise has been damaged in any way, immediately contact the carrier, then call our Customer Service Department for assistance, 414-272-6080.
5) **Save all cartons and inner packaging** of any damaged merchandise.
6) Damaged merchandise should not be removed from premises until arrangements are made for salvage.

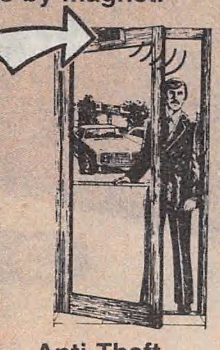
3 YEAR GUARANTEE
on every product!

For your assurance and protection, we stand behind our products. B&I guarantees all products in this catalog for a full 3 years against any defects in workmanship and materials. Should you have any questions regarding our guarantee or a specific manufacturer's warranty on one of our products, our customer service representative will be happy to assist you. Call 414-272-6080.

Door Announcer Chime
Uses no energy — works by magnet.

A





B

Anti-Theft Office Machine Alarm

A. Uses no energy — works by magnet. You hear a loud, pleasant chime whenever a person walks through your door. Audible in up to 5,000 sq. ft. The entering person hears the chime and instantly knows you're aware of his/her presence. The chime lets you monitor your business traffic, helps prevent theft and shoplifting. Also lets you give customers immediate attention. Works entirely by magnetism, never wears out. Easily attaches to door. When door closes, inside hammer hits a chime bar. Double swing doors require extra jamb magnet. Comes with 5 year guarantee.

No. 860-113	**$34.95 ea.**

B. Plug-in Theft Protection for Your Electrical Equipment. Simple, reliable security for your computer, typewriter, TV, etc. Simply plug Alertmate™ into wall outlet, secure with one screw, plug in appliance and set the combination. If unplugged without authorization, loud 90 decibel alarm sounds continuously until either plugged back in, or combination code is dialed. Alarm will also sound if cord is cut. Plugs into all types of electrical outlets, and accommodates all types of major electrical appliances. Operates on 9 volt battery. UL™ listed. 4"x2"x1¾".

No. 860-114	**1-2 $29.95 ea.**
3-5	**$28.95 ea.**
6+	**$27.95 ea.**

Presentation Cabinet And Credenza Give You Complete Speaker Support

Now even small offices can have full presentation support. These space efficient units mean you can have the quality communication you need. Both are carefully crafted and sturdy.

The Double Door Conference Cabinet is ideal for management, training and sales. The large porcelain markerboard means bright graphics — and it doubles as a projection screen. Handy side doors open to give cork board display surfaces. 4 markers (red, blue, black, green) and eraser included. Attractive locking credenza is a safe place to store audio-visual equipment and handy place for conference supplies. Adjustable shelves, tumbler lock. Both units are rich textured veneer. Board dimensions: 48"x48" closed, 48"x96" open. 140 lbs. Credenza: 48"x16"x29"H outside, 46"x15"x25⅛"H inside. 140 lbs. Colors: walnut and oak.

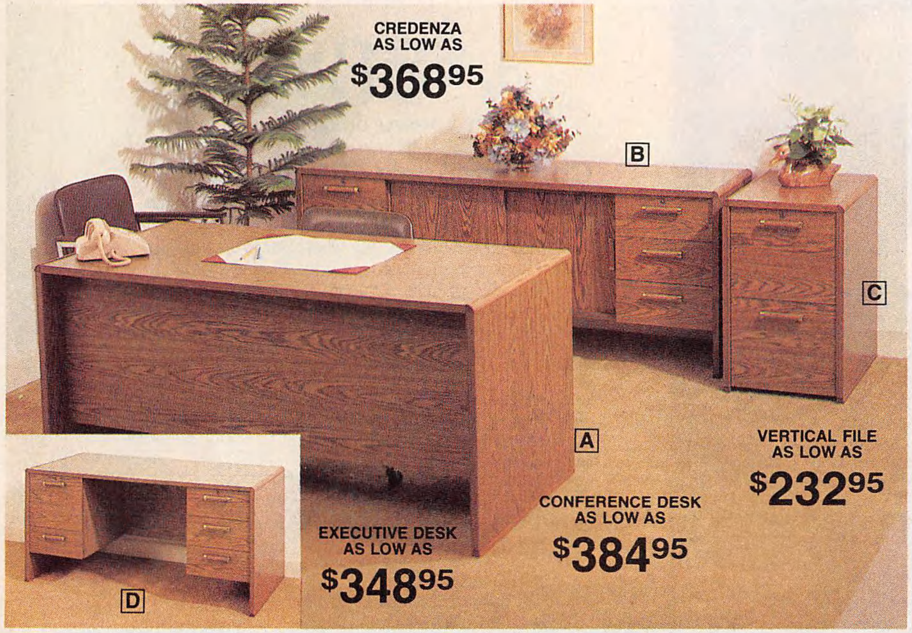
Handsome Radius Furniture To Upgrade Your Office — At The Right Prices



Contemporary Radius Series. Attractive pieces for long years of service. The handsome bevel-edged tops, full 1″ thick, are covered in a rugged melamine that keeps its new look under harsh conditions. Durable vinyl overlays protect the ¾″ furniture-grade core on pedestals and drawer fronts. Smooth-running drawers — with quality steel guides and ball bearing nylon rollers. The Conference (A) and Executive (D) Desks offer large work surfaces with five locking pedestal drawers that give you plenty of work space with security. The credenza's (B) sliding doors open for expansive storage. Side drawers lock for security. Tough surface of the large top is ideal for many uses. The Two-Drawer Vertical File (C) has full storage room, quality construction. Locking drawers on desk and return are featured on the Secretarial-L (E). Locking Center Drawer is optional for all desks. Colors: English oak (shown) or walnut.

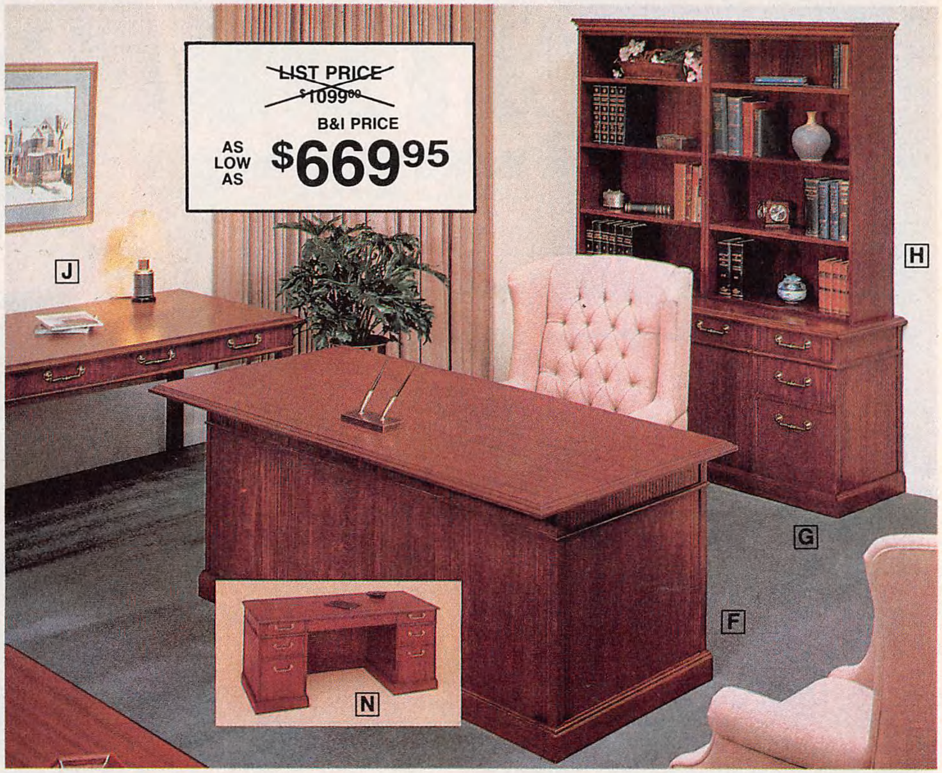
Give Your Office The Look Of Success — With Traditional Styling In Rich Mahogany



This **Traditional Mahogany Office Furniture** will let you create a tasteful, prestigious office environment. Manufactured by National, Division of Kimball, it features genuine mahogany veneers and finishes, embossed detailing, precisely matched mahogany laminate tops, and antique brass-finished hardware. Choose from a complete, expandable system that even includes computer furniture.

All box drawers have smooth, ball-bearing metal suspensions; file drawers have file rods, extend fully for ease of use, and in desks and lateral file accommodate letter, legal and EDP files. For security, all desks feature convenient central locking: 1 lock in center drawer controls all. Secretarial return pedestals have a box drawer over a file drawer. Credenza Bookcase stands securely.

New Ergowood Seating Offers Scientific Comfort & Natural Beauty

Enjoy the incredible ergonomic comfort of these beautiful Ergowood™ chairs. Steno model lets you adjust back angle, height & tension for firm support in any position, even leaning forward. Tilters let you adjust tension so you can lean back & straighten up effortlessly — or lock out tilt, for more support. The result? You're alert and productive all day! Strong 5-prong steel bases covered in handsome natural wood, smooth dual-wheel casters. Manual seat height adjustment. Choose from a wide selection of new long-wearing fabric colors.

***Quick Ship: grey, beige, burgundy, navy, rust, gold, black, brown.* Wood base finishes: oak, medium oak, or walnut.**

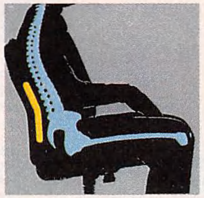
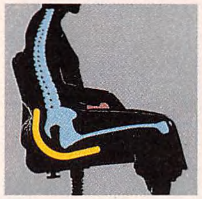
Supportform® Seating Ergonomic Comfort at its Best

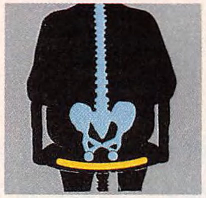
Cantilevered arms allow user to sit closer to work surface without leaning forward. Long-lasting molded urethane arm covers for good-looking protection.



Lumbar support of chairs ensures correct spinal curvature — the key to reducing backache, achieving maximum comfort.

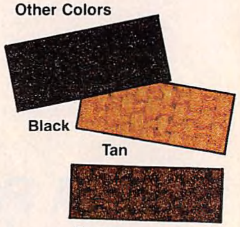


Comfort Zone is created by the pocket formed between backrest and seat. This pocket cradles the body, aligning thighs, buttocks and upper body for proper comfort.



Contoured Seat helps eliminate fatigue due to prolonged pressure and also works to locate your body in its proper natural position so as to make full use of the chair's lumbar support.

Other Colors



The basis for ergonomic comfort is support. And that's what Supportform Seating® is all about. Supportform chairs offer subtle seat and back contours that correctly position your body for ideal weight distribution. This supported position relieves pressure points and muscle strain that restrict circulation and cause discomfort. Less restricted circulation and greater comfort mean improved office productivity. What's more, with Supportform® you get true ergonomic comfort without the added costs of unnecessary controls, gimmicks, or excessive padding.

Supportform® also offers a number of other advantages that the other chairs don't, like:

- Protective vinyl bumper edges.
- Height adjustment on all models; swivel and flex-back action for operator chairs (A) & (D); tilt feature on executive low back (B) and high back (C) chairs.
- Three beautiful frame finishes to choose from: chrome, black, or putty baked-on enamel.
- A wide range of designer color fabrics that are 100% nylon. Scotchguarded® and fire-retardant for your protection.

Experience the comfort and feel of modern ergonomic support, at some very affordable B&I *factory to you* prices.

To order simply select the model number of the chair and frame finish of your choice from the chart below. Black, tan, brown, burgundy, dusty blue. For peach or mint add A to # and $10.00 per chair.

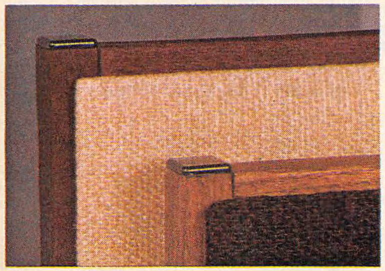
Experience the Beauty of Real Wood



B&I now offers the beauty of genuine oak or walnut veneer over strong steel frames. Shown above: walnut frame with beige fabric and medium oak frame with brown fabric.

We took the strength of steel frames and covered them in beautiful genuine oak and walnut woods to add a natural beauty to your office. Genuine wood veneer frame "open office" panels offer a way to conserve limited office space and tailor it to your specific needs. Economical units can be quickly and efficiently changed to create many different types of work areas, stations, conference rooms, mail rooms, etc. Available in floor to bottom panel clearance of 2". Use panels free standing or connect to form work areas. All panels come with 1 straight connecting cap and 2 dark brown enamel finish feet. For angle connections order desired angle connectors shown below chrome frame panel chart. Fabric colors: brown, tan, rust, blue, gold, gray, beige. Frame finishes: genuine medium oak or walnut veneer.
